This is Hillsborough County the fastest growing County in the State of New Hampshire which in projections of the next ten years show it to be the fastest growing state in New England.

Hillsborough County located in the very south central part of New Hampshire lies just north of the Massachusetts border and contains the states two largest cities, Manchester and Nashua on its eastern boundaries with twenty nine towns comprising the balance west of the cities as far as Peterborough and north to the town of Hillsboro.

Population of over 192,000, largest of New Hampshire's ten counties. The Merrimack River Valley between Manchester and Nashua has long been known for its Industrial locations and labor market, noted among those are the many national firms settled in Manchester and Nashua. Of interest are the new industrial developments being formed, among which is the one at the Manchester's Municipal Airport at Grenier Field. There is ample room in the towns area that comprises the major land area of the county, along with an untapped labor market. At any location you choose, the furthest point is not over three quarters hour drive.

Dartmouth College is synonymous when you think of New Hampshire, yet in Hillsborough County we have more Halls of learning including primary, secondary and college institutions than in all New Hampshire combined. The most recent was University of New Hampshire opening the Merrimack Valley Extension School to better serve the area. On the college level, Manchester has St. Anselms, Mount St. Mary's, Notre Dame College, New Hampshire College of Accounting and Commerce, all fully accredited four year degree granting institutions. Also located in Manchester is the highly respected Hesser Business College having served the area and state for over forty years. Just recently opened in the western area of the city is the New Hampshire Technical Institute. In Nashua, there are Rivier College and Nashua Business College. Antrim contains the fast growing young college of Nathaniel Hawthorne. In New Ipswich, the home of Appleton Academy. When primary and secondary schools become necessary, Hillsborough County has the most progressive and ambitious programs and modern and efficient plants to be found. New forward thinking people staff these institutions providing the child with a well rounded curriculum in all phases of their education.

Transportation? Well represented by rail, air and over the road carriers. Over the road carriage is amply provided by over twenty-eight Interstate Motor Freight Carriers providing direct service to as far south as South Carolina, west to West Virginia and Pittsburgh,

Pennsylvania and north to Albany and Montreal Canada. Northeast Airlines maintain freight and passenger service from the new modern Ammon Air terminal in Manchester to any point you wish to ship. For those who are interested in rail, Boston and Maine Railroad offers direct freight rail service to most points in the county and the Manchester and Nashua terminal areas encompass piggy back facilities. By highway, Hillsborough is only one hour from Boston, Six hours from New York, eight hours from Philadelphia and eleven hours from Washington, D.C. Direct overnight service is available to all these points. You see, really in our County you have all the advantages of the large cities with none of its disadvantages of crowded highways, prohibitive taxes and astronomical real estate values and ample location so much needed when expansion is necessary.

So you're a golfer, skier, camper, mountain climber, equestrian, or maybe just a spectator, you will find them all in Hillsborough County. Skiing is available for the beginner to expert, at Crotched Mountain Ski Area in Francestown, Temple Mountain in Temple, Brookline, New Hampshire on the south and Weare and Deering on the north. A sailboat on Lake Massabesic, ten minutes from downtown Manchester will test the most veteran skipper as will it provide the area for the beginner. Swimming and fishing have no limits on the hundreds of lakes, ponds and streams that crisscross the entire County. The golfer is provided for his game at the luxurious Manchester Country Club in Bedford to the beautiful Nashua Country Club where the 1967 New England Amateur Tournament was held.

In Hudson, New Hampshire just east of Nashua you will find the strangest farm on earth, Bensons Animal Farm. Whether you are young or old you will return here, again and again never ceasing to be awed by the collection of animals from all parts of the world.

Hillsborough has three fine State Parks in Greenfield, Miller and Clough Parks, all perfect for the day picnic with the children or the heartier tenter who likes pioneering or the modern day camper with his travel trailer home.

The arts do not go unnoticed in Hillsborough; in Manchester is the famous Currier Gallery of Art and on the west in Peterborough the renowned McDowell Colony, a summer colony for creative artists, writers and musicians. For the purveyors of Natural History, there is the unique Philips Museum of Natural History located on Rt. 102 in Litchfield, New Hampshire.

The health of our citizens is the most important asset we have, taken care of by the most modern complex of Hospitals and clinics in Nashua and Manchester plus at the top of 2055 foot high Crotched Mountain in Greenfield is located the Crotched Mountain Rehabilitation Center for the treatment of the physically handicapped.

You will find eight national banks in the county all using the most modern up to date technology in their operations waiting to provide you with any services you need. Retail organization has leaped ahead in recent years with a potential market, drawing in from all New Hampshire points as well as Northeastern Massachusetts.

Although Hillsborough County is the most urban county in New Hampshire, it ranks number one in agricultural production for the state, with sales of \$10 to \$11 million annually. The county ranked in the top one hundred counties of the nation in apple and egg production, according to the Census of Agriculture figures in 1954, 1959 and 1964. There are approximately one thousand Farms, as such, in the county, of these seven hundred are commercial farms where the families earn all or most all their living from the farm. Dollar-wise poultry is still the largest agricultural enterprise in the county, which amounts to about \$5,000,000., dairying is second, doing about \$3,000,000, and fruits and vegetables third with \$2,500,000.

We are continuing to experience a shrink in the numbers of farms, but farms staying are getting larger. The large dairymen are now milking over one hundred cows. Several of the larger fruit growers are producing eighty to one hundred thousand apples and individual poultrymen are handling over fifty thousand layers. Not too many years ago, a dairyman would keep twenty milkers and a poultryman about two thousand layers to make a living.

We hope this short synopsis of our county has interested you. In the ensuing pages you will find more pertinent information to the actual functioning of our government in Hillsborough County.

We think Hillsborough County is a good place to Live, Work and Play. We would very much like to have you join us!

## JANUARY 20, 1967

The Executive Committee of the Hillsborough County Convention met at the County Farm Friday, January 20, 1967, at 2:30 P.M. to discuss department budgets.

The chairman, Mr. Cullity, presided. All members present; also the County Commissioners, the Register of Deeds, Mr. Timothy O'Connor, and Mr. Perley Colby, representative from the Extension Service and Mr. Roulx from the Business Office.

The new members were introduced to the County Commissioners and the other guests.

Mr. O'Connor presented the Register of Deeds budget.

There was a lengthy discussion and it was decided that a breakdown of the budget be presented to the County Commissioners and then submitted to the Executive Committee for approval and that all other departments follow this procedure.

Mr. Edwards moved and seconded by Mr. Burnham that the minutes of the meeting be recorded by Mr. Roulx. After the test it was decided that the recording was inadequate. Mr. Burnham withdrew his seconding.

It was decided to test another type of recording on a trial basis.

Mr. Bruton moved and properly seconded that a sub-committee be appointed to examine the equipment at the Register of Deeds office and report its findings.

The chair appointed Messrs. Burnham, Lavalée and Latour to meet with Commissioner Beaulieu.

The Commissioners were requested that all County equipment be inventoried and that no purchase be made without a purchase order from the Business Office.

The Commissioners were also requested to scrutinize all departments that exceed their appropriation.

### PROPOSED RESOLUTION NO. 1

WHEREAS The City of Manchester has offered substantial benefits to the County if the new Court House is located in the so-called civic complex; and,

WHEREAS these benefits include such things as free land and landscaping together with adequate parking without capital expenditure by the County; and,

WHEREAS the type of Court House requested by the City will be a better building than that contemplated by the Court House Building Committee but will also cost more; and,

WHEREAS on June 15, 1966 the Convention authorized the cost not to exceed \$20.00 per square foot, exclusive of land and furnishings:

NOW THEREFORE be it resolved that:

The Cost per square foot exclusive of land and furnishings may exceed \$20.00 but not to exceed \$23.00, provided that the increased cost over \$20.00 is offset by benefits received from the City; and provided that the monetary value of these benefits shall be approved by a majority of the Commissioners, Executive Committee and Building Committee as a committee of the whole subject to final approval of the Convention.

Rep. Bruton moved and Rep. Edwards seconded as amended.

So voted.

March 6, 1967

#### PROPOSED RESOLUTION NO. 2

WHEREAS The Manchester Housing Authority has agreed to purchase the present County Court House in Manchester for the sum of \$375,000.00 and,

WHEREAS all or part of this sum may be needed to construct the new Court House; and,

WHEREAS the \$375,000.00 may not be paid to the County as soon as needed for the new Court House, and,

WHEREAS it may be necessary for the County to have these funds during the intervening period;

NOW THEREFORE BY IT RESOLVED:

That in addition to the bonds authorized on June 15, 1966 in the sum of \$1,250,000.00 an additional amount not to exceed \$375,000.00 is hereby recommended by the Executive Committee.

Be it further resolved that all reasonable efforts are to be made to secure the \$375,000.00 without issuing bonds, and if bonds are issued for this purpose, they will be retired as soon as the money is received from the Manchester Housing Authority and subject to the approval of the Convention.

Rep. Bruton moved and Rep. Blanchard seconded as amended.

So voted.

The Hillsborough County Delegation met in Convention on Monday, March 27, 1967 at the County Farm.

Inspection of the institution was from 11:00 A.M. to 1:00 P. M. A turkey dinner was served to the delegates under the supervision of Assistant Superintendent George Hurley and his aides.

The invocation and benediction was offered by Rev. Cole.

After dinner the meeting was called to order in the Chapel at 2:00 P. M. by Chairman Cullity.

The clerk called the roll, there being 79 members present a quorum was declared. Atty. William Craig gave a report on the new Court House.

Rep. Cobleigh offered the following resolution and moved its adoption — seconded by Rep. Lambert.

**Resolution # 1. WHEREAS THE MANCHESTER HOUSING AUTHORITY has agreed to purchase the present County Court House in Manchester for the sum of \$375,000.00, and**

**WHEREAS all or part of this sum may be needed to construct the new Court House; and**

**WHEREAS the \$375,000.00 may not be paid to the county as soon as needed for the new Court House; and,**

**WHEREAS it may be necessary for the County to have these funds during the intervening period:**

**NOW THEREFORE BE IT RESOLVED:**

That in addition to the bonds authorized on June 15, 1966, in the sum of \$1,250.000.00 an additional amount not to exceed \$375,000.00 is hereby authorized by this convention.

Be it further resolved that all reasonable efforts are to be made to secure the \$375,000.00 without issuing bonds, and if bonds are issued for this purpose, they will be retired as soon as the money is received from the Manchester Housing Authority. Vote unanimous.

Rep. Capistran offered the following resolution and moved its adoption, seconded by Rep. Christie.

**Resolution # 2. WHEREAS the City of Manchester has offered substantial benefits to the County if the new Court House is located in the so-called civic complex; and,**

**WHEREAS these benefits include such things as free land and landscaping together with adequate parking without capital expenditure by the County; and,**

WHEREAS the type of Court House requested by the City will be a better building than that contemplated by the Court House Building Committee but will also cost more; and,

WHEREAS on June 15, 1966, the Convention authorized the cost not to exceed \$20.00 per square foot, exclusive of land and furnishings:

NOW THEREFORE BE IT RESOLVED THAT:

The cost per square foot exclusive of land and furnishings may exceed \$20.00 provided that the increased cost is offset by benefits received from the City; and provided that the monetary value of these benefits shall be approved by a majority of the Commissioners, Executive Committee and Building Committee as a committee of the whole. Vote was unanimous.

DISCUSSION ENSUED

Rep. Coburn wanted to know the price offered for the old Court House. Atty. Craig replied \$375,000.00.

Rep. Robert Dion asked when the new Court House is constructed would there be enough space for a County Jail. Atty. Craig replied: "No."

Rep. Wallin asked if the County Court House could be housed together in the same building. Atty. Craig said there wouldn't be enough room for two buildings.

Rep. Healy remarked that since our Jail holds Federal prisoners, the plan of building a jail with the Court House would not be feasible.

Atty. Craig said that the Building Committee did not go into this phase, as they were strictly limited as to what they could do.

Rep. Bruton asked if the Court House is built, would the Soldiers' and Sailors' memorials be kept. Atty. Craig said they would.

Rep. Coburn asked if the new Court House would include the City Hall. Atty. Craig replied that it would not.

Rep. Cobleigh asked how much extra would the Court House cost? Atty. Craig replied "As near as I can estimate at this time it would probably be 10 to 15%."

The Chairman thanked Atty. Craig for his report on the new Court House.

The budget for 1967 was presented. Rep. Belanger moved and seconded by Rep. Welch to dispense with the line items. Rep. Lambert opposed; the reason being that the parking facilities at the

County Home were inadequate and an appropriation of \$20,000.00 be added to the budget. After much discussion by the members and the Commissioners, Rep. Lambert moved and properly seconded that the sum of \$10,000.00 be approved.

So moved.

Rep. Lambert moved and seconded by Rep. Christie that the budget as amended be approved. So voted.

Rep. Christie moved and seconded by Rep. Belanger that the revenue as read be approved. So voted.

Rep. Robert Dion moved and seconded by Rep. Wallin that a study committee be appointed to make a study for a new County Jail. So voted.

Reps. Wallin, Feeney and Dion inspected the County Jail and said it was deplorable, but Rep. McGrail said that these same people commented that it was clean.

Rep. Belanger moved and seconded by Rep. Lambert that we adjourn.

First meeting held at Moore General Hospital. Due to the weather, Mr. Billings was unable to attend.

Function of the Committee is to look at the present setup and determine needs for the near future and more distant future. If Federal Aid is to be received in the future, determination must be made as to the needs or the feasibility of a new building of possibly 200 beds. This would be for extended care. Remodeling of the present facilities is needed to be of greatest value with the present structural setup.

The Commissioners stated that application for Federal funds are filed in case decisions are made to build as the order of filing may affect the receiving of revenues.

Mrs. Lamy conducted us through the north wing, telling us what has been recommended to be able to bring in more revenue from the area if remodeling is done.

1. The present Pediatric Ward could be made into Extended care by removing some walls and making double rooms instead of single. This would allow for the use of new beds which are larger than the old type and would give room for the use of oxygen, if needed.

2. Another bathroom is needed. (At present there are 14 beds with but one bath and no running water in rooms.)

3. Running water is needed in each room.

4. Oxygen and suction might be installed.

5. A dining room could be installed off the pantry-kitchen.

On the second floor, there could be a Pediatric Ward, one single room and the other double. These rooms would accomodate cribs. A playroom and dining room is needed on this floor. The bathroom would need to be adapted to childrens' use.

(Personal observation — cement broken — floor at entrance to classroom.)

The Caron Building needs kitchen facilities to be increased. Current capacity is for some cooking (short order type) for 30 and not for the present 116 now in the building. Also a combination dining-recreation room is needed. One possibility would be to connect the two wings with the kitchen area. Ceilings are too low in the basement and there is more of a fire hazard if a kitchen were to be considered for this area.

It was decided that if it were possible to get Mr. Billings for next Friday, April 14, the next meeting would be held then at Moore General Hospital at 2:00 P.M. Mrs. Lamy will be on vacation but Mr. Card will be there and can answer any questions pertinent to the situation.

Mr. Billings reported. Quoted rules and regulations Ch. 151 and 152. RSA.

1. Physical changes in plant must be approved.
2. Must approve Medicare facilities and Nursing Homes.

Caron House was overcrowded\* Better now\*\* Demand increasing constantly.

Need growing for County care facilities. More care accomodations needed. Waiting list of 8 : 2 weeks ago up to 15 - 20.

Title 19: Can it be implemented this Legislature? Under Medicare the Welfare Dept. would pay cost for highly skilled nursing care\*\*\* Chance of getting Federal money to build building \*Proportionate part.

Availability of money depends upon Viet-Nam ending. 1/3 of cost. Plan now ends in 2 years\* Must have plan! Be ready when money available. Must be at least one Governmental Home in each area\* Good for County. (Laconia plans on drawing board for 1½ years - almost ready for bids.)

Cost? Guess \$8,000 - \$10,000 per bed and going up. Every City thinking of building. 40 beds to a unit good\* All exits outside ramps\* etc.

Needs: Conference rooms\* Geriatric training possibly\* Training Practical Nurses\* Physiotherapist (Teacher Director)\* Physical Therapist\* Occupational Therapist\* Speech Therapist-part time & facilities thru Manchester Rehabilitation Center.

This Committee to study Farm & Hospital for needed facilities and bring in recommendations.

Recommendations for physical changes as reported in last Committee minutes.

Additional notes\*\* Nurses stations in center & all rooms having a view outdoors as in the remodeled wing. Nurses stations cover two wards.

Caron House\* Has beauty parlor (Zonta furnished), needs one large kitchen, insulated carriers for food, needs heat in rooms (current system has radiators in corridor only), some changes taking place which greatly improved facilities previously available.

## DECEMBER 14, 1967

A meeting of the Executive Committee of the Hillsborough County Delegation was held at the County Home at 12:00 noon, December 14, 1967.

Members present: Cullity, Barnard, Latour, Clancy, Wiggin, Edwards, Bruton, LaFrance, Dubois and Burnham. Illness prevented members Pettigrew and Blanchard from attending. Because of Mr.

Pettigrew's absence, the Chairman appointed Mr. Roulx temporary clerk. Others in attendance were Marion Lamy, George Hurley and Commissioners Walsh, Langdell and Beaulieu.

After a fine dinner served by Mr. Hurley and his staff, the Chairman called the meeting to order at 1:30 P.M.

Mr. Walsh thanked all members of the Committee for their attendance today and also for their extreme concern throughout the year on fiscal matters.

The Clerk read a letter from Justice Edward Lampron concerning a \$700 deficiency in the Nashua Law Library, and requested permission to pay for these books now and eliminate this recurring problem each year. Discussion ensued and upon learning that there was sufficient funds in the budget as approved for the Nashua Court House, recommended to the Commissioners that these bills be paid.

The Chairman reported that Mr. Blanchard was seriously ill. The Commissioners were asked to send a remembrance from the Executive Committee and the Commissioners to Mr. Blanchard to let him know all were praying for his quick return to our midst.

Chairman Latour of the sub-committee appointed to look into the retirement plans for County employees reported on their activity to date. Several questions were asked and further work is necessary before any conclusions can be arrived at.

Commissioner Walsh reported to the Committee their desire to cover County employees with a major medical comprehensive group insurance plan. He will bring more detailed information in on this at the next meeting. It was suggested by the Committee that the Commissioners with the aid of the pension sub-committee bring the retirement problem to a satisfactory conclusion before getting involved in the insurance plan.

Mr. Walsh also reported that the State Board of Health had requested the County Commissioners to step into the unsanitary conditions existing at the Valley St. Jail. It would appear that several requests for action have been ignored; hence the State Board felt compelled now to bring in the Commissioners. All three Commissioners made a personal inspection of the Jail and found much room for improvement.

It was moved by Mr. Bruton and seconded by Mr. Burnham that the Commissioners bring to the Committee a complete report on

necessary repairs and alterations for a complete renovation of the County Jail at the next months meeting of the Committee.

No further business to come before the meeting. Mr. Latour moved for adjournment seconded by Mr. Clancy. The Chairman adjourned the meeting at 3:20 P.M.

A True Copy Attest:

Respectfully submitted,  
JAMES PETTIGREW,

Clerk  
By R. W. RONALD, Temporary Clerk

## "COUNTY COMMISSIONERS YEARLY REPORT"

In compliance with the laws of the State of New Hampshire the Board of Hillsborough County Commissioners present their Annual Report.

The County ended the fiscal year with a cash surplus of \$155,000.00 primarily due to \$86,000.00 surplus at the County Home and \$54,000.00 surplus at the Moore General Hospital. These two institutions have worked relentlessly in obtaining money due the county from every possible source. They are to be commended for their excellent work.

The year 1967 saw a continuance of the improvement programs at the County Home, the most noticeable being the new and enlarged paved parking area for visitors and employees, of both the home and the Caron building of the Hospital. A new nurses station was also installed at the Caron building in addition to a general upgrading of the entire building. Our County institutions like all facilities are reaching the point of capacity and in recognition of this the executive committee has appointed a study sub-committee to explore aims and ambitions of our county in planning for the future.

The year 1967 also brought a complete mechanization of all accounting functions. As a result, the commissioners, executive committees and department heads are now receiving current up to date information as each month goes by. As a direct result of this during 1967, temporary idle funds were put to use and kept overall net interest costs to  $\frac{1}{2}$  of 1%, which contributed materially to the 1967 surplus.

By the time this report is read, our new County Court House will be a reality. Bids are scheduled to be opened on April 15, with the hope construction will start soon afterwards. This represents a successful conclusion to the many people who have contributed their efforts and time to this project and special thanks to the Building Committee and the entire County Delegation.

We want to thank all county Officials, Superintendents of the Moore General Hospital and County Home and all County employees for their help and cooperation.

To all State Officials, the Board of Mayor and Aldermen of Manchester and Nashua and all City and Town agencies who have given us their cooperation and help, we are grateful and appreciate everything they have done for us.

**DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION  
Concord, New Hampshire  
SUMMARY OF  
FINDINGS AND RECOMMENDATIONS**

June 15, 1967

Board of Commissioners  
Hillsborough County  
Manchester, New Hampshire

Gentlemen:

In accordance with the provisions of Chapter 71, Section 27, of the Revised Statutes Annotated, an examination and audit of the accounts of Hillsborough County for the fiscal year ended December 31, 1966, has been made by this Division. Submitted herewith is the report of the audit including Exhibits as hereafter listed.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of County Commissioners, County Treasurer, Clerk of the Superior Court, Superintendent of the County Farm and the County Hospital.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets — December 31, 1965 — December 31, 1966: (Exhibit A-1)**

Comparative Balance Sheets for the fiscal years ended December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Surplus increased by \$14,142.95 in 1966.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition of the County during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

### INCREASE IN SURPLUS

Net Budget Surplus .....	\$ 69,726.24
Increase in Accounts Receivable ..	16,164.41
Appropriation Deleted from Budget During Year .....	6,000.00
Prior Year's General Fund Checks Cancelled .....	555.50
Excess Cash in Payroll Checking Account .....	470.96
Increase in Cash on Hand - Institutions	247.90
Prior Year's Payroll Checks Adjusted & Cancelled .....	65.35
	\$ 93,230.36

### DECREASE IN SURPLUS

Surplus Used to Reduce County Tax .....	\$ 48,606.17
Supplemental Appropriations Voted from Surplus During year	30,000.00
Prior Year's Deficit Transfers to Payroll Account .....	171.90
Unaccounted for Office Cash .....	170.91
Variance in General Fund Checking Account .....	133.17
Payroll Deduction Adjustments ..	5.26
	\$ 79,087.41
NET INCREASE	\$ 14,142.95

### Comparative Statements of Appropriations and Expenditures – Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$87,208.72, less a net overdraft of appropriations of \$17,482.48, resulted in a net budget surplus of \$69,726.24.

## **Summary Statement of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of the receipts and expenditures of the County for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is indicated in Exhibit B-2.

### **ACCOUNTS OF COMMISSIONERS AND TREASURER**

An examination was made of a sufficient number of orders issued by the Commissioners and Clerk of the Superior Court, as well as supporting invoices and payrolls, to satisfy the requirements of accepted standards of audit procedure. The classification of expenditures was noted.

### **CLERK OF THE SUPERIOR COURT**

The financial accounts and records of the Clerk of the Superior Court of Hillsborough County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

### **COUNTY FARM AND HOSPITAL**

The accounts of records of the Superintendent of the County Farm and the Moore General Hospital were examined. Receipts of the Farm from the sale of livestock and produce and from boarders were checked by source through the triplicate receipt forms. All receipts of the Farm as well as the receipts of the Hospital, as recorded in the cash book, were properly accounted for by the Superintendent through the deposits in the bank to the credit of the County Treasurer's account.

### **GENERAL COMMENTS**

#### **Net Overdraft of Appropriations:**

It is noted that in the fiscal year 1966 there was a net overdraft of budgetary appropriations of \$17,842.48, (as indicated by Exhibit A-4) after giving effect to supplemental appropriations of \$30,000.00 which were approved by the Executive Committee of the Legislative Delegation on December 28, 1966. Therefore, contrary to the provisions of R.S.A. 24:15, the excess expenditures of \$17,842.48 were made without approval of the Executive Committee.

It is also noted the records do not indicate that a public hearing was held in connection with the supplemental, appropriations of \$30,000.00, approved by the Executive Committee. This procedure is likewise required by the provisions of R.S.A. 24:15.

Chapter 24, Section 15, of the Revised Statutes Annotated (as amended), pertaining to the matter of exceeding county appropriations, is quoted herewith:

"24:15 Exceeding Appropriations. No county commissioner shall pay, or agree to pay, or incur any liability for the payment of, any sum of money for which the county convention has made no appropriation, or in excess of any appropriation so made except for the payment of judgments rendered against the county. In the case of an emergency, however, county commissioners may apply to the executive committee, which, after a public hearing, may grant to the county commissioners authority in writing to make such emergency payment. Unless otherwise ordered by the county convention under the provisions of section 14, whenever it appears that the amount appropriated for a specific purpose will not be used in whole or in part for such purpose, the county commissioners may use such sum to augment other appropriations, if necessary, provided the total payments for all purposes do not exceed the total sum of appropriations in any year made by the county convention."

#### **Competitive Bidding on Purchases:**

As a result of the examination of a substantial number of vouchers and invoices during the course of the audit, it was found that a large number of purchases in excess of \$300.00 were made without competitive bidding or waiving of competitive bidding as required by R.S.A. 28:8. This section reads as follows:

"28:8 Competitive Bidding on Purchases. Any purchase of equipment or materials made by a county in an amount exceeding three hundred dollars shall be by competitive bidding, provided that the county commissioners by unanimous vote may waive the provisions for such bidding. In case the commissioners so vote a copy of such action shall be recorded in their offices with a statement of the reasons therefor and

such record shall be open to public inspection. Orders for equipment or material to be delivered at different times where the single delivery may be less than three hundred dollars but the total order exceeds that amount shall be construed as coming within the provisions hereof requiring competitive bidding."

Sound business practices would indicate that wherever possible the requirements for various commodities, supplies and materials necessary during the year be estimated and competitive bidding be followed in order to obtain the most reasonable prices for the County.

**Recommendations — Report of Prior Year's Audit:**

The recommendations made in the report of the audit made by this Division for the fiscal year 1965, are being implemented. It was also noted that subsequent to the appointment of the new Business Manager, substantial improvements in business procedures have been effected.

**Conclusion:**

In accordance with the provisions of Chapter 184, of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the Officials of Hillsborough County and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Hillsborough County Commissioners, County Treasurer, Clerk of the Superior Court, County Farm and the Moore General Hospital for the fiscal year ended December 31, 1966. In our opinion, the Exhibits presented herewith reflect the true financial condition of the County on December 31, 1966, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

SUPERINTENDENT'S REPORT  
HILLSBOROUGH COUNTY  
HOME and FARM

January 31, 1968

To the Honorable Board of Commissioners,  
Hillsborough County

Gentlemen:

It is a pleasure for me to submit my annual report of the Hillsborough County Home and Farm. The year 1967 has been a very active one. We have continued our program of improvement and modernization within the Institution which has created a more pleasant atmosphere for the patients and made the work of the attendants easier by improving our facilities.

New equipment purchased for the Institution was a 600 lb. washer-extractor, a Falcon Wagon, additional beds, mattresses, chairs, etc. New toilet facilities were installed throughout the House of Correction. One new adding machine was purchased for the office. Repairs and painting are going on all the time, and I fully realize that the change and improvements during 1967 could not have been accomplished without the loyalty and cooperation of the County Commissioners, the members of the Executive Committee and the County Delegation.

At this time, I would like to express my grateful appreciation and thanks to all members of my Staff, our Chaplains and Physician, Mrs. Lamy, Superintendent of the Moore General Hospital and everyone connected in helping to carry out our program and improvements.

We are grateful to the Hillsborough County Guild members who have made our elderly people very happy by sponsoring socials and parties. We wish to thank also the Manchester Hairdressers Association for all the time they spent beautifying our Residents. Also to all Fraternal and Civic Organizations that have been so kind to our elderly men and women throughout the year we extend our heartfelt appreciation.

Respectfully submitted,  
THOMAS L. BOUCHARD  
*Superintendent*

## MOORE GENERAL HOSPITAL

---

*To the Honorable Board of Commissioners of  
Hillsborough County, New Hampshire*

*Gentlemen:*

I am forwarding you herein my annual report of the Moore General Hospital for the year ending December 31, 1967.

As indicated in the report the year 1967 saw many new improvements in the Hospital and in the Caron Building. It also saw the installation of new and improved equipment required for our operation.

The Following equipment has been installed:

Sound Projector for School of Practical Nursing, supply of beds with IV rods, over bed tables, bedside cabinets, floor machine with brush, high back lounge chairs, Hobart dishwasher, two IBM typewriters, Microfilm Medical Records. Intensive renovation on extra space taken in Caron Building, also in the Recreation Room. A new Nurses station in the Caron Building.

We want to thank the members of the Hairdressers Association for their Day of Beauty Care to the patients in the Caron Building. This is always a big day for them, we appreciate it very much.

Many thanks to the Business and Professional Women's Club for their continued interest and gifts to the women patients in the Caron Building.

Demanding special recognition are the members of the Moore General Hospital Associates who have spent a great deal of their time entertaining the patients and providing special favors each Holiday. I want to thank them for the many pieces of equipment they have donated.

This annual report would be inadequate if it failed to mention the numerous friends of the Hospital who have contributed their time and efforts in attending to the welfare of the patients and advancing the interest of our staff and students.

On behalf of the Staff and myself I wish to express our deep appreciation to the County Commissioners, the doctors on the Medical and Surgical Staff. Mr. Bouchard Superintendent County Farm, to the visiting Clergy and to the employees of the Hospital whose joint efforts made the success of the hospital possible.

Respectfully submitted,  
MARION G. LAMY  
*Superintendent*

## COUNTY ATTORNEY'S REPORT

---

*To the Honorable Board of Commissioners  
of Hillsborough County*

The following is submitted as the report of the County Attorney for the period commencing January 1, 1967, and terminating December 31, 1967.

Three Hundred and Thirty Five Indictments were brought before the Court and Settled. Seventy Five Waivers of Indictment were prepared and settled. Two Hundred and Twenty Eight Appeal cases were presented to the Superior Court for consideration and settled. There were twenty three probation violations presented to the Court and dispositions made thereon.

Hearings were held under the Uniform Reciprocal Enforcement of Support Act in fifty five cases

Twenty Six Petitions were filed under New Hampshire Revised Statutes Annotated, Chapter 173 which is the Sexual Psychopath Law and determinations made thereon.

Investigations were made concerning thirty one vehicular fatal accidents in which thirty four persons were killed.

There were twenty six other fatal accidents of a non-vehicular variety which were also investigated by this office. The breakdown of these accidents is as follows: three suffocations, eight deaths by fire, one airplane crash which killed two persons, two drownings, one woman killed by lightning, two people killed by electrocution, two accidental deaths by shooting, four fatal falls, one construction accident which took one life and one accidental overdose of medicine.

An investigation was made into the murder of one Constance Irving and the suicide of Frederick Irving which occurred on February 16, 1967.

An investigation was also made into the murder of one Alonzo Flanders on December 12, 1967. A first degree murder Indictment was obtained against one Timothy McCarthy charging him with the said murder. The case is now awaiting trial.

Numerous other matters were brought to the attention of this office during this period and to the best of my knowledge all have settled amicably.

Respectfully submitted,

EMILE R. BUSSIERE

*County Attorney*

## PROTESTANT CHAPLAIN'S REPORT

---

*To the Honorable Board of Commissioners  
Hillsborough County:*

*Gentlemen:*

Since being called as Pastor of the First Baptist Church of Goffstown, and as Chaplain of the County Farm and Moore General Hospital in January of this year, it has been a rewarding ministry to me and to my people. There have been many occasions when my just being there has brought a smile or an expression of contentment to the face of a patient. The rewards of being able to quiet the fears and anxieties which often accompany a stay in the hospital or which sometimes bring mental or spiritual anguish to a new resident are among the greatest that any person could have. To be able to help in these areas is truly a rewarding part of my ministry.

It has been my desire, during this year, as I became acquainted with the people and their needs, to have more of our church members become involved in the ministry at the County Farm and Hospital. To this end we have been seeking to train the people to help minister to the spiritual needs as well as the physical needs of those at the County Farm or in the Hospital.

Also we have begun to have different Church groups actively participating in the weekly worship services held in the early evening each Sunday. Our Christian Youth Fellowship and our Womens' Fellowship have each taken the responsibility of one service a month. The other services are taken by our deacons. Until the present, it has been best that the Chaplain deliver the sermonette at these services.

I have appreciated the unfailing helpful attitude of one and all on the staff and in the nursing corps. Their very genuine concern for those in their care has shown itself at every turn and greatly aids my ministry. I would like especially to thank those who helped our young people as they sang carols at Christmas time.

Sincerely yours,

## CATHOLIC CHAPLAIN'S REPORT

---

*To the Honorable Commissioners  
of Hillsborough County*

*Gentlemen:*

Essentially my report as Catholic Chaplain for the Hillsborough County Institutions for 1967 will be the same as have been the reports for preceding years. The nature of the Chaplain's functions do not change. The emphasis however, is altered as the number and type of patients change from year to year.

I am in daily contact with patients, residents and staff at the County facilities. I believe that patients and staff are aware that over and above frequent personal visits, my ministry is available at all times if this should be required or desirable. There has been no change in the schedule of Masses at the County Home Chapel for Sundays and other days of special observance. For those who cannot attend these formal religious services, individual contacts are arranged at regular intervals. Some reading materials and religious articles are furnished to those who ask for them.

The practice of offering Mass at Caron Annex began late in 1966 and is being continued for the benefit of patients necessarily restricted to this area. It appears that this schedule has been not only a spiritual comfort, but has had a therapeutic effect for the patients as well.

Again this year I express my warmest thanks to Mrs. Marion Lamy and Mr. Ralph Card, to Mr. Thomas Bouchard and Mr. George Hurley and their staffs at Moore General Hospital, Hillsborough County Home and the House of Correction for their generous and sympathetic cooperation.

Respectfully,  
(REV.) ARTHUR SULLIVAN  
*Chaplain*

## COUNTY PHYSICIAN'S REPORT

---

*To the Honorable Board of Commissioners  
Hillsborough County, New Hampshire*

*Gentlemen:*

It has been my privilege during 1967 to give medical care to the sick receiving county aid. The number of patients treated was substantially the same as in 1966, both in my office and in the homes.

The hospital X-ray and laboratory are being increasingly used for diagnostic purposes, and this permits more accurate diagnosis and a more effective treatment. There was splendid co-operation and everything possible was done to help those who needed it.

I would like to express my appreciation for the fine spirit which has prevailed among the county personnel.

Respectfully submitted,  
JEAN N. LECLERC, M.D.  
*County Physician*

## **1967 REPORT OF THE HILLSBORO COUNTY COOPERATIVE EXTENSION SERVICE**

---

To: The Hillsboro County Board of Commissioners

*Gentlemen:*

It is again my pleasure to submit this summary of the activities of the Hillsboro County Cooperative Extension Service Staff for the year 1967. Lengthy, more detailed Annual Reports covering each line of work have been filed with the County Commissioners in Manchester and the State Extension Director in Durham.

The Cooperative Extension Service is a unique, educational program made possible through cooperative efforts of the Federal, State and County governments. The County Extension Agents are staff members of the University of New Hampshire and are supported in their work by research facilities and Specialists at the University and the U.S. Department of Agriculture. The County Extension office is located in the Post Office Building in Milford, N.H.

### **Agricultural Work**

(Agent Perley Colby and Area Dairy Agent Ernest A. George). The first responsibility is still to commercial farmers, however more and more time is being devoted to Community Resource Development Work.

During the year, 51 meetings were held and over 18,000 pieces of literature were mailed out. In addition, 192 individuals came to the office for advice or assistance.

The County office, through the Natural Beauty Committee, was active in helping to get 12 more Town Conservation Commissions established in the county and during the year, arranged several meetings for the Conservation Commission. An active program to inform contractors, selectmen and others about the new Septic Tank Regulations was carried out.

The office is also working with C.A.P. by setting up a training program in Parks Maintenance for their New Career Program.

### **Home Economics**

Extension Staff members, Harriet J. Nissen and Mrs. Winnifred McLaughlin ( $\frac{1}{2}$  time).

The aim of the Adult Home Economics Program is to teach homemakers of the county, so they can be informed consumers,

and be a competent homemaker. Lessons regarding problems of the home, use of money, consumer education and child care have been taught this year.

### Teaching Methods

1. The Extension Home Economists teach classes to groups of homemakers throughout the county.
2. The Extension Home Economist and Specialists of the University of New Hampshire train volunteer leaders from the different community Extension groups to teach homemaking projects to the people of the local Extension groups. 349 volunteer leaders help 337 lessons, reaching 3672.

*The following subjects were taught between July 1, 1966 – June 30, 1967.*

1. The Convenience of Convenience Foods.
2. The Wonderful World of Instant Foods.
3. Nutrition Facts for Moderns.
4. Citizenship  
Ceylon; the Resplendent, a study of the people, customs, government, education, industries and foods.
5. Mass Feeding. Homemakers have been trained so they can feed the masses in disaster areas.
6. Consumer education on Buying Resilient Floor Coverings and rugs.
7. Safe use of Electricity.
8. Tips on Home Landscaping.
9. How and where to take care of home business papers.
10. How to Make and Care for Draperies.
11. Reupholstering, making slipcovers, reseating and re-finishing furniture made up the furniture renovation program.
12. Buying, Care and Construction of Clothing for the family.
13. How to Choose Accessories so the homemaker can be well groomed.
14. In Human Relations and Child Development the following projects were taught:
  - (a) Building Bridges Between Generations
  - (b) A Matter of Today's Values
  - (c) Your Responsibility as a Parent

15. Out State a Public Affair —  
a project on taxes.
16. Home Industry —  
Rug Braiding  
Reupholstering
17. Low Income in cooperation with Nashua C.A.P. and O.E.O.  
Weekly meetings were held at Palm Street School from about mid October until April. Projects — Christmas gifts and cookies for children, mending and sewing — food demonstrations.

The grand total of Agent and Leader Taught Meetings is 660 with 6174 people attending.

*Number and Location of Extension Groups:*

Amherst	1	Mason	1
Antrim	2	Merrimack	1
Bedford	3	Milford	3

#### **4-H Youth Development**

Staff members — Charles Buck, 4-H Youth Development Agent, Josephine Stearns, Associate 4-H Youth Development Agent (resigned July 1, 1967), Elizabeth Prough, 4-H Youth Development agent, appointed July 1, 1967.

The 4-H Youth Development Program is made available to every boy and girl in the county who is between the ages of 9 — 19, regardless of race, creed, color or national origin. The 4-H Program involved 1302 boys and girls in 1967, one third of these were from

low income areas of Manchester and Nashua. A very effective 4-H Summer program in both cities was carried on with additional staff, college students supplied by Community Action Program and the University of New Hampshire. These young citizens worked in 3227 different program areas. An integral and important phase of the youth development program involves junior leadership — 94 outstanding high school aged youth participated in this instructional-teaching program.

Specialized and specific short term programs are geared to the urban, suburban and metropolitan areas of the county. A child care program, enrolling 80 junior high school girls in Manchester was well accepted by school, health and safety officials.

Adult leadership has continued to increase each year. In 1967, there were 419 active adult volunteer leaders who gave a total of 8799 hours of help and instruction.

The current trend in the Youth Development program seems to be a surge of membership in the urban areas with low income youth. The suburban parent also wishes to have the advantages of this program and the continued interest remains stable with the rural dweller.

### Forestry

Robert W. Breck, County Forester — As our way of life has changed more and more from rural to urban, the forest has reoccupied the land. While timber still remains a most important natural resource, other uses and values of forest land are being seen everywhere, but especially in the eastern sections of the county. Rural living, recreation and water values are perhaps a few of the more important uses now prevailing.

Many of the woodland owners that your County Forester works with today are interested in the conservation of the forest resources. The production of timber is associated more with aesthetic and "open space" living. Many owners are more interested in the improvement of their timber stands to increase the quality of the crop and less dependent on the income from the sale of timber.

The forests of New Hampshire contribute a great deal more than wood products to a better way of life.

The following is a brief summary of the County Forester's work in 1967:

Woodland Owners Assisted	332
Woodland Improvement	842 acres
Timber Selectively harvested	3,000 M. Board Feet

If you have any questions concerning Cooperative Extension Service programs, feel free to write, call or stop in at the office for answers. We would be happy to see you.
